STAGE II WASTEWATER TREATMENT PLANT FLOOD PROTECTION PROJECT

PROJECT DESCRIPTION

The Township of Montgomery is accepting bids for the Stage II Wastewater Treatment Plant Flood Protection Project. This project includes construction of a perimeter flood wall, effluent pump station, storm water collection system and pump station, process aeration system improvements, rehabilitation of the final clarifiers, new effluent disc filters, new ultraviolet disinfection units, new post aeration system, new sludge storage tank, replacement of the pre-engineered metal Filter Building, cured-in-place-pipelining of the 12-inch outfall, new SCADA system, electrical system improvements, paving and miscellaneous site improvements, and all appurtenant work required by the Contract Documents.

Bid documents are available electronically (PDF format) or printed copies may be picked up at the Engineering Department during regular business hours 8:00 am to 4:30 pm. Electronic copies are available by email request. An email address shall be provided which permits delivery certification and the requester **shall confirm receipt of the bid documents in writing**. Print pick-ups are charged a **NON-REFUNDABLE FEE OF \$200.00 PER SET** in the form of a check payable to the “Township of Montgomery”. Submit electronic bid document requests and any questions in writing to: EngineeringBids@twp.montgomery.nj.us

Please take further notice that on or about July 26, 2022, the Township caused the publication of an advertisement for the receipt of bids for these services to take place on August 25, 2022. Pursuant to the Local Public Contracts Law, the August 25, 2022 receipt date was CANCELED. However, the bidding and contract documents issued by the Township for the original August 25, 2022 bid receipt, along with the document subsequently annexed thereto and entitled “Addendum No. 1”, are to be used for the September 20, 2022 opening. Any new bidders shall be provided the same bidding and contract documents, along with Addendum No. 1.
