

Montgomery Business Association and “Shop Local”

Focus on Promotion and Retention

Local business owners looking for an economical way to promote and enhance their business may wish to consider joining the Montgomery Business Association (“MBA”) and benefit from the group’s expertise in marketing, promoting, and advocating for small businesses. The MBA plans events and promotions for its members. They are also helping non-profit businesses in Montgomery. You may see their “Shop Local” posters and flyers around town at MBA member businesses. This campaign aims to keep more money circulating in the local economy and support local business, while helping to reduce greenhouse gases with shorter car trips.

For further information, visit the [Shop Local Montgomery website](#) or membership [at] [shoplocalmontgomery.com](#) (email). Contact information for all Board Members may be found on Shop Local website.
