PUBLIC INFORMATION SESSION - Wednesday, October 5, 2022

Dear Resident/Property Owner:

The Montgomery Township Engineering Department will be hosting a virtual Public Information Session via Zoom on **Wednesday, October 5, 2022, starting at 7 PM.** This session will discuss the following topics:

1. The Orchard Road repaving and infrastructure repairs (portion ~225 west of Community Drive – US Route 206)
2. Addition of bicycle lanes on Orchard Road (portion ~225 west of Community Drive – US Route 206 off-ramp)
3. Installation of a new pedestrian route along the north side of Orchard Road (Community Drive – Bridgepoint Road)
4. Installation of a new pedestrian route from Route 206 southbound bus stop to Orchard Road / 206 intersection
5. Traffic Signal Upgrades, curb ramps, and crosswalks at Orchard Road / Route 206 intersection*

**Please be advised that items 1-4 will be part of Montgomery Township's Orchard Road Improvements project.*

Item 5 will be handled under a separate project by the New Jersey Department of Transportation in coordination with the Township.

This session will be held in a webinar-style format starting with a project overview, discussions about various aspects of the project, and finishing with Q&A. Participants will have an opportunity to ask questions about the project at the end of the discussion. If you are interested in participating, you may view the session at this link:

Representatives from the Engineering Department will be presenting the project. The meeting is expected to end no later than 8 p.m. If you cannot attend or have questions, feel free to call us during normal business hours or email us:

Mark Herrmann, Township Engineer (908) 213-5901 [mherrmann \[at\] montgomerynj.gov](mailto:mherrmann@montgomerynj.gov)

Please be aware that there will be a **three (3) year restriction on road openings** after paving. This includes utility service connections/upgrades (usually necessary for new additions or certain building work), repairing your driveway by the road, and other work within the public rights-of-way. If this affects you, please contact us immediately for permit information and to complete work before our project begins. Answers to the common road project questions can be found on our [website](#).

Sincerely,

Mark Herrmann, PE, CME, CFM
